

JULY 2022

COMMODORES' LETTER

Commodore Deb Strouf

From the Helm.....

Happy July!

Summer is full effect – which means so it our Boating season! I hope that everyone has taken the time to get out and enjoy our wonderful Lake Michigan.

Sunday, June 5th the KYC held our annual Blessing of the Fleet. This event was well attended with many local and state dignitaries in attendance. I received so many positive comments in regard to the event, the beautiful state of the club grounds, the impeccable tablescapes as well as the fabulous brunch buffet provided by the KYC Bar & Grille staff. Many thanks to Vice Commodore, Joyce Rinehart and her team for planning and execution of such a wonderful event. Rita would be proud!

New Ship's store gear has started to arrive, come check it out and if there is something you would like but don't see, just reach out to myself or Rear Commodore, Amy Adams to place your special order.

Our 110th Anniversary party / Open House was Saturday 7/9 – Lots of fun. Also be watching for the opportunity to purchase one of our 110th anniversary burgees – a pre-order will be coming this week.

Don't forget to bring or send your donations in for the Outreach Center – we are currently collecting school supplies

The KYC has much to be proud of and even more to look forward to in the future!

I hope to see you all this weekend!

Good Winds

Joyce Rinehart

- *We celebrate the news that Casey Bezec is now home from the hospital after a 12 day stay and doing well. We send wishes for continued healing to Casey and good wishes for Linda as she supports Casey through the days ahead.*
- *We look forward to The KYC Open House and 110th Anniversary Celebration on Saturday, July 9th. We celebrate those who have sustained the KYC through good days and bad in the past, all who are working so hard to bring us into the present moment and look forward to the future with excitement and hope!*
- *Thank you to Roger, and Scott, for their hard work to keep our restaurant looking good and doing well during these very difficult days! We appreciate you and your staff and all that you are doing. I encourage us all to support the Kenosha Yacht Club Bar and Grille often. Come on down or order online.*

Please send requests for Good Winds concerns or celebrations to Joyce at goodwinds@kenoshayachtclub.com or 262-945-9183

Outreach Center Support

Your support of the Outreach Center has been great and thank you to each of you who continue to participate. As we enter the month of July, we continue to collect school supplies. We have extended this collection because our school supplies will need to be to the Center in early August. You can also still bring sox and hygiene items.

Bring your donations by the KYC anytime or plan to bring them to the Anniversary Celebration Open House on July 9th. See the article in this Mainsheet for more information about the Open House.

June - September - School supplies for distribution in early August

October - December - Hats, gloves, and scarves as well as Christmas gift collection

It is easy to contribute - just bring the items above to the KYC and place them in the container provided in the bar. There are also collection containers on the bar for those who would prefer to make cash donations. Karl will pick up all items and cash donations frequently and make sure they are distributed to those who can use them most. Thank you, Karl!

This is a great project in which to involve the community so please spread the word to family and friends and invite them to make contributions to this year long event! Thanks again for your support!

SAIL RACING

John Weiss

The 2022 race season is off to a great start - we have great fleet, awesome Race Committee and Mother Nature has delivered in the weather category. In addition to our Thursday/Sunday racing, the Kenosha fleet has had a strong showing in regional races - Doublehanded, Queens Cup, Solo Mac, etc. Our fleet continues our KYC legacy showing that our club has some great sailors!

If you are not a racer, you can still join in the fun and spectator fleet. Thursday nights are great excuse to jump in your boat and watch the races. Just remember to stay off to the side of course so that you're not in the way of race boats but feel free to follow along behind the race boats. Races start every Thursday evening 6:25pm. Then join us back at KYC while we exaggerate stories of courage and bravado!

Lastly, we are actively looking for Race Committee for 2023 season. If you would like to learn more about it, please reach out to John Weiss at john@myweiss.com or 262-909-5353. We would love to get you out for a few nights this summer with our current Race Committee (Pete) to learn the ropes plus he could always use a hand.

Sail fast!

John

Blessing of the Fleet 2022

It is hard to believe that we have already had our Blessing of the Fleet for 2022 and are now into July! As we move on, I want to thank ALL who helped in any way to make this year's Blessing a great event. Thank you to all the members of the Committee for their hard work, to Ron and Kathy for providing the flowers and wreath, to the restaurant staff for their great buffet and service, to members who stopped by and helped both Saturday and Sunday and to all who attended the event. We also thank Rita for the unexpectedly good weather! Have a safe and fun Summer everyone!!

Volunteer Hours

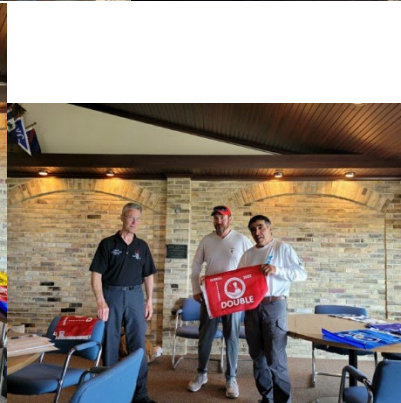

If you have some free time and would like to get an hour or two working around the club, Contact Jim Pappas at 262-620-0369. He'll tell you what needs to be done and help you get started.

The club depends on its volunteers, and we need everyone to help just a little bit with 12 hours of service annually; that's just 1 hour a month.

New Youth Waterfront Program offered by the Kenosha Community Sailing Center

Sunshine yellow, neon green and bright white are the colors of the Kenosha Community Sailing Center's watercraft. It's hard to miss the vessels when they are out sailing in the Kenosha harbor and that's just what the sailing center wants. They want everyone to notice that there are opportunities for families to get out and be on the water.

The center is in its third season renting watercraft and their 14th year teaching sailing in the harbor. They are a non-profit that does a lot more than teach sailing. The center promotes water safety, water conservation and does all they can to get people of all ages to appreciate the power and beauty of Lake Michigan.

This summer, KCSC has introduced a new 4-day Youth Waterfront Program where kids (ages 7-14) can enjoy the pedal duck boats, kayaking, paddleboarding and sailing. The program will also include games at the beach, arts & crafts, water safety and conservation. There are two sessions being offered July 5th thru July 8th and August 22 thru August 25. Registration can be done online at kenoshasailing.org and the cost is \$300 for the day long program.

Bettie Wescott, KCSC's Youth Education Director explains, "Our goal is to teach through fun and when water is involved, it's always fun, but we use every opportunity to get children to respect the lake. Having the pedal duck boats, kayaks and paddleboards is inviting to kids and families, but I can assure you that when you rent or participate in one of our programs or classes, you leave knowing how to properly wear a life jacket and are much more in tune with the weather and water."

"Situational Awareness" is a concept that is used frequently when the sailing center teaches sailing or being out on the water. Situational awareness is being aware of what is happening around you in terms of where you are, where you are supposed to be, and whether anyone or anything around you is a threat to your health and safety. It is important for both children and adults to develop this sense and sailing does that.

In addition to youth sailing classes, which are taught all summer long, the Kenosha Community Sailing Center offers adult, family, private and small group sailing classes. Many people have "learning how to sail" on their bucket list and other adults sailed as children and are looking to return to the helm. What is particularly nice about a community sailing center, is that those who want to learn to sail do not need to purchase a boat. Interested individuals are able to take courses and join a community of beginners and seasoned sailors.

Also new this year, the Kenosha Community Sailing Center is hosting what they call "Community Nights" on Thursday evenings where they are making their rental watercraft available to nonprofits especially those that serve families and youth. "There is a reason we are called a 'community' sailing center" explains Jim Buck, president and founder of the nonprofit. "Our goal is to get every kid down here at least once and let them experience a boat ride and learn a bit about water safety."

For more information about the Kenosha Community Sailing Center's exciting offerings, to make a donation or volunteer, contact them at www.kenoshasailing.org, 262-997-9343, or info@kenoshasailing.org. They are also active on most social media and hope that you will follow and share their information.
